

“The Congregational United Church of Christ, Punta Gorda, with God’s blessing, declare ourselves to be an open and affirming church, welcoming people, regardless of race, gender identify and expression, age, culture, sexual orientation, faith background, marital status, economic factors and varied health, to share a faith journey with Christ. We have extended our spiritual horizons and acknowledge the image of God in every person. We believe that through diversity all can grow and practice a unity of faith that transcends our differences. Live out what you believe, and God will truly bless you.”
